

EPFL LATSIS SYMPOSIUM 2026

Decoding the Cell: Modeling,
Predicting, and Engineering
Cellular States

29-30 October 2026
Olympic Museum Lausanne

Speakers

Gray Camp

Roche Institute for Translational Bioengineering, Basel

Barbara Engelhardt

Stanford University

Jeremy Gunawardena

Pompeu Fabra University

Muzlifah Haniffa

Wellcome Sanger Institute & University of Cambridge

Anshul Kundaje

Stanford University

Prisca Liberali

ETH Zurich & Friedrich Miescher Institute for Biomedical Research

Ewa Paluch

University of Cambridge

Steve Quake

Stanford University

Susanne Rafelski

Allen Institute for Cell Science

Kevin Tsia

University of Hong Kong

Bo Wang

University Health Network & University of Toronto

Organizing Committee

Bart Deplancke
Maria Brbic
Giovanni D'Angelo
